It keeps growing! Once again we had a phenomenal Yard Sale last year bringing buyers from near and far across Boston, Framingham, Norwood, Dedham to Fairmount Hill. Special thanks to the BBC college students and our talented neighborhood face painters.

What works best for creating a constant flow of buyers? Having goods visible from the street, easy **parking access**, display the **ORANGE Seller Sign**, and **Multiple Homes participating within a block**. So **Register EARLY** and invite **YOUR NEIGHBORS** to participate! Then- invite (email, facebook, tweet, etc.) all your family, friends, and colleagues (work, church, business, organizations) to your sale.

Seller options are available for Fairmount Hill residents that are isolated, or do not have a front yard or driveway. Please contact yardsale@fairmounthill.org for additional details.

Remember, *this is **YOUR Yard Sale***. So, Let's all work together to make it another successful fun-filled event!
